Annual
**BHF Southern
African Conference**

Tuesday, 18 July 2017 | WALKING THE WALK

SESSION 1

THE BIG QUESTIONS

“People ask questions when they’re ready to hear the answers” - Vanessa Redgrave

- ❶ Are we competing on healthcare fraud, waste and abuse? A case for sectors to collaborate
- ❷ How unhealthy is the “junk status”? Implications for the healthcare sector?
- ❸ Effects of dominance on price – is this altering the market dynamics?
- ❹ The impact of patent protection and the lack of generic competition on prices?

TEA BREAK

Exhibition and Lunch Hall 1

SESSION 2

Transforming the healthcare system to achieve better value and efficiency in the service delivery chain

“Transformation literally means going beyond your form” - Wayne Dyer

- ❶ Transforming the healthcare system to achieve better value and efficiency in the service delivery chain
- ❷ Is there a place for ideal clinics in the private sector to achieve effectively coordinated care?
- ❸ A health economic analysis of nutrition support: A cost-effective and clinically beneficial intervention – in the context of PMBs (**Netherlands**)
- ❹ The future world – creating value, access, affordability and efficiency

LUNCH -

BHF AGM FOR MEMBERS ONLY (Over Lunch)

Wednesday, 19 JULY 2017 | THE ROAD AHEAD

Wrap up

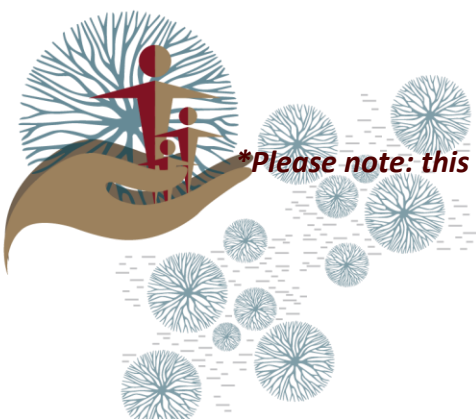

"Government is moving towards the next phase of the implementation of National Health Insurance. We are committed to achieving Universal Health Coverage, in line with the vision of the National Development Plan. ...In the next phase of NHI implementation, an NHI Fund will be established."

Budget speech 2017

- ❶ What is the role of the healthcare sector in stimulating growth – in the context of NHI?
- ❷ Why leadership is critical
- ❸ **The Road Ahead**
 - ✓ Actionable strategies – for the private sector
 - ✓ Regulatory framework
 - ✓ Implementation of NHI

CONFERENCE CLOSING

Every new idea and initiative meets with resistance. We have to find the courage to take risks, even to fail, if the goal is worthwhile" – Kofi Annan

**Please note: this is a draft programme*
